5 Assessment and Testing Career Battery

1. With a counselor referral in hand, visit the Assessment and Testing Center to schedule your Career Battery. The Assessment and Testing Center is located in the Student Services building next to Counseling on the Sanford/Lake Mary Campus. Be sure to take your referral sheet with you when going to schedule your Career Battery.
2. After completing the Career Battery and attending an interpretation session, visit the Career Development Center to complete career research based on your test results.
