7 Career Research

This form is to assist you with researching the occupations that you have selected as possible career options. Complete this form for each occupation you want to consider. Answer each question clearly and precisely. The resources in the SCC Career Development Center (C104—Sanford Lake Mary Campus) (OVF108—Oviedo Campus) will be very helpful in completing this assignment.

1. Title of occupation:

2. Description of occupation (i.e. basic duties, indoor/outdoor, alone/with others, dangers or hazards, typical work hours, typical industry, typical day at work).

3. Qualifications required for employment (i.e., Skill sets, Education, Licensing or Certification, Experience).

4. Occupational Outlook <http://stats.bls.gov/oco/>

♦ Projected Demand: _____

♦ Expected Salary Range and benefits: _____

♦ Opportunities for Advancement: _____

♦ Geographical Representation - Is this career available where you choose to live? Are there areas with a disproportionate need? _____

5. What are the non-monetary rewards? _____

6. What are the opportunities for advancement in this field? What is the typical career path? _____

7. What type of people would I be working with? Will I work on a team or independently?

8. Advantages of the occupation: _____

9. Disadvantages of the occupation: _____

10. List at least three companies in the Central Florida area which might hire you if you choose this career. Check with Career Development Center staff about using Reference USA to complete this question.
